After Submission

Notification of acceptance

Our programme committee consists of professors and senior researchers across different fields of expertise. Each submission will be peer-reviewed by at least two programme committee members. Comments will be given regarding your submission. An email will be sent out on 25th October 2018 to notify whether your submission has been accepted for presentation (or 3MP Competition if applicable).

Prepare for Oral Presentation

At least one author from the authorship group of a successfully accepted manuscript is expected to register and attend the symposium to present their work. For manuscript which is accepted as a session presentation, you will be required to prepare a presentation of approximately 20 minutes, depending on the allocated symposium session.

Awards

There are one best oral presentation awards for each session. These awards will be judged by on-site reviewers who are either senior programme committee members or invited keynote speakers of each parallel session.
